HUSSAINI HOUSING – SINDH

12 houses in Sindh have been completed successfully out of 39 houses.

HUSSAINI HOUSING (P-15)

30 Sadaat houses has been completed. Sponsored by overseas donor.

ALASAR INSTITUTE OF TECHNOLOGY

KOHAT - KPK

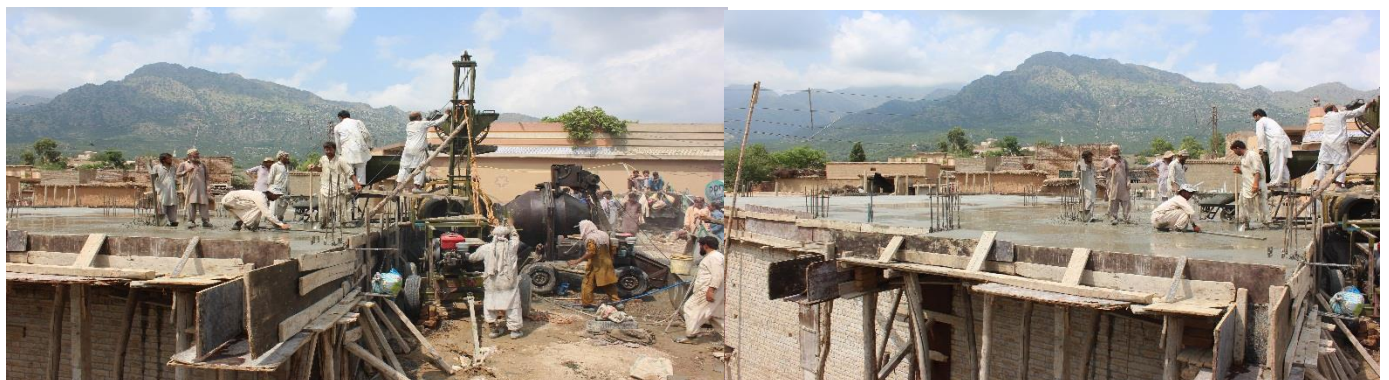

We are pleased to inform you that the BASEMENT ROOF LANTER has been laid down on Sunday 23rd August 2020 completely.

On 14th of Muharam the ground floor construction have been started.

In Sha Allah now the work will be done smoothly and efficiently.

You are therefore requested to please help us financially so that we may be able to keep continue the construction work smoothly.

Some photographs of the work on the day are forwarded for your satisfaction.

RATION PACKAGE IN AFFECTED AREAS COVID-19 SPONSORED BY COMFORT AID INTERNATIONAL - USA

The poor people, who were already struck by the devastation of COVID-19, were hit again by torrential rains & floods. Donations by CAI brought a great relief to these calamities hit poor people who had all the appreciations and prayers for the donors. As the effected families were large in numbers, only a part of affected people could be helped. The bare minimum items of most needed rations were included in the package and were delivered at their door steps. Rations were distributed to 400 families of Tehsil Khanpur, District Rahim Yar Khan (Southern Punjab).

COVID-19 created a very serious problem for the low paid / daily wagers. They lost whatever little means of earning they had. Financial support by CAI was a great relief for them. Every beneficiary greatly appreciated the Nobel effort of CAI & prayed for them. Area wise distribution is given below:

S. NO.	SECTOR	BENEFICIARIES
1.	District Dera Ismail Khan	50
2.	District Dear Ghazi Khan	50
3.	Tehsil Kot Addu, District Muzaffargarh	50
4.	District Laiyyah	50
5.	District Rahim Yar Khan	100
6.	Tehsil Khanpur, District Rahim Yar Khan	50
7.	Islamabad	50
TOTAL		400

RATION PACKAGE FOR RAIN/FLOOD AFFECTEES (2020) SPONSORED BY HUSSAINI FOUNDATION (SINDH) / PUNJAB

RATION PACKAGE FOR RAIN/FLOOD AFFECTEES (2020) SPONSORED BY COMFORT AID INTERNATIONAL (SINDH)

After the scary rainfall in Mirpur khas Distric and South Region of Sindh, Hussaini Foundation Pakistan with the worthy support of its donors, started distributing Ration to the doorsteps of the needy families. We have covered about 13 villages yet. Below is the detail of villages and number of families.

Their muddy houses are is under water. Landlords of the areas are de-watering their fields by pumping water to the poor villagers to save their fertile lands. That worsened the life of these 15 families. Now the water is everywhere around their houses. They have to go through the hot stinky water whenever they come in or out of their houses.

CURRENT MONSOON RAIN DISASTER INTERIOR (SINDH)-(PAKISTAN)

LOW COST HOUSING PROJECTS :

The recent Monsoon rain has affected the country of Pakistan, Hussaini Foundation representatives visit the part of the Interior Sindh where family members live and have been affected. All the houses need work immediately.

Hussaini Foundation has decided to support the affected families. We appeal for US\$200/- (US Dollar two hundred only) for each family. (Approx. over 700 affected families)

The funds will be required to meet all the repair work which and will also cover the cost for purchasing of raw material / transporters / Labour cost / etc...

APPEAL FOR LOW COST HOUSES PROJECT

Shelter Room 12 x 14 (Thatched Roof mud bricks masonry)

Material Analysis

S.No	Description	Qty	Bricks No	Rate	Unit	Amount
	Masonry	672	8064	4.00	No	32,256.00
	Roof Bamboos & thatched	168		13	No	2,184.00
	wooden Door window	1		20,000.00	No	20,000.00
						54,440.00

Labour Cast

Masonry	672	5.00	Per cft	3,360.00
Roof Bamboos & thatched	168	15.00	per sft	2,520.00
				5,880.00

Material	54,440.00
Labour	5,880.00
Total	60,320.00

We appeal to support each effected family for US\$200/-. The donation will cover the cost of purchases of main material and balance will be contributed by the effected families. This type of house will last anywhere between 5 to 7 years.

Provision of typical lower Sindh shelters made of wooden sticks & straws plastered with mud. these kind of shelters are cheaper than that of cemented & locals also intend to have the same as their refuge immediately after receding the rain water.

Masajid & Wazu khana construction in various areas of Sindh.
