CURRENT MONSOON RAIN DISASTER INTERIOR (SINDH) PAKISTAN

Due to the heavy rains in the province Sindh the part of lower Sindh has been very much effected. The crops are totally damaged their houses and in 3 to 4 feet of water. It happened so fast that they could not save any of their belongings. Everything is under the water even their wheat and all the food grain is destroyed. They have migrated to the higher grounds. Their first priority is food stuff (Ration). As the water recedes we will have to help them rebuild their houses. At the moment **we have 400 families who need help. The package of Ration will cost us approx. RS 3000.**

More than 3000 Mosquito nets were also distributed among flood affected people into 03 districts of Lower Sindh Areas.
